World Migration Report 2015 – Migrants and Cities: New Partnerships to Manage Mobility 2015

ISSN 1561–5502
ISBN 978-92-9068-709-2
USD 60

The World Migration Report (WMR), IOM's flagship publication, meets an ongoing need for governments, academia and other practitioners with a serious interest in migration to be kept abreast of trends in international migration –both at global and regional levels–, emerging policy issues and developments in policy formulation. The first World Migration Report in 2000 responded to a specific need expressed by the IOM Membership for state-of-the-art information and documentation on international migration.

Glossary on Migration

106 pages
Georgian
ISSN 1813-2278

The International Migration Law (IML) Series seeks to promote the understanding and awareness of the legal norms and principles that govern the movement of persons today, with regard to both rights and obligations of migrants and States' responsibilities. It provides in one source definitions for terms used in the migration domain, and offers thematic analysis of specific migration law issues. The IML Series is coordinated by IOM's International Migration Law and Legal Affairs Department.
